**Jonna Rae Bartges** "I see dead people so you don't have to!" says Happy Medium Jonna Rae Bartges. For over 35 years, the author, Emmy-winner and Reiki Master Teacher has used gentle humor, authenticity and compassion to connect clients with loved ones in spirit, and very specific and accurate information about their past, present, and future. She is passionate about bringing together science and spirituality, and frequently works with MDs, nurses, psychologists and others in the healing professions.

*Intuitive Counseling Sessions - \$50 for 30 minutes*

**Joseph Benton** has been involved in alternative healing activities for more than 25 years. He is a Reiki master/teacher, studied with Hanna Kroeger, and draws on Edgar Cayce's information. His work combines body working techniques along with the Trinity Table. A typical session with him consists of 30 minutes of body work followed by 30 minutes on the Trinity Table. The Trinity Table was developed by James Harmon. It is an electromagnetic balancing tool that aligns the subtle energy bodies, induces relaxation, and allows "stuck" energies to be released. Joseph has been connected with the development of this method since 1997.

*Body/Energy Work and Trinity Table - \$80 for 60 minutes*

**Brian Burghardt** has been doing healing work for 20 years. As an Energy Healer, he incorporates several "healing modalities" to provide for optimum results. All clients listen to sacred music while he does his energy healing work. Brian starts with ancient prayer and a song for the soul. He scans the body for blockages and removes them. This technique was taught to him by a Shaman from New Zealand. He has had much success in "shifting negative energy" away from muscles and joints thereby relieving and releasing pain. His work will help make a change in you. Brian received formal training in Reiki 1, 2 & 3 and Massage Therapy in 1995. All Brian's energy healing work is done in conjunction with his Spirit Guides.

*Energy Healing \$50 for 30 minutes*

**John Davis** is an Egyptologist, esoteric psychologist, counselor and numerologist who has given over 13,000 readings. John's readings bring past life issues into the present life. This numerology scientific profile is a blueprint for the potential opportunities as well as challenges, karmic patterns and hidden abilities. The secret language revealed in the name indicates past lives. The date of birth is the physical destiny. A new feature of his personality profiles reveals a hidden spiritual purpose given to each soul exactly nine months after their birth.

*Numerology Readings - \$50 for 30 minutes (Recorded CD included)*

**Katherine Eason, OTR/L** has been a nationally certified Occupational Therapist for over 40 years. She is also a 3rd degree Reiki, Master level. Her private practice of 13 years specializes in Myofascial Release and Craniosacral Therapy. Kathy will be providing a unique treatment called the Amygdala Connection Technique which deactivates stuck reactive patterns to perceived life-threatening situations. Since emotions dictate the health of the body, releasing the memories of these patterns from the Amygdala, the Limbic System, the Medulla Oblongata, the Centrum, the Prefrontal Cortex, the Adrenal Glands, the Root Chakra and the Crown Chakra have the effect of reducing the symptoms of fear, panic, anxiety, PTSD, obsessive thinking and depression, which in turn facilitates total healing on all levels. During the treatment, the recipient typically falls into a deeply relaxed state and comes away with a wonderful sense of calm and well-being. [healinghothands.com](http://healinghothands.com)

*Amygdala Connection Technique - \$75 for 75 minutes*

**Faye Henry** utilizes the sound and vibration of gongs, crystal pyramids, and other fun sound instruments. Faye creates a unique sonic massage just for you. She plays intuitively so no two sessions are the same. The mind has no defense against a properly played gong, so it simply shuts down and allows the mind, body and spirit to become one, in the still quiet place within. The body relaxes and moves into its healing mode. A person typically experiences total relaxation, stress reduction, pain *removal or reduction*, and balance. Many experience shamanic journeys throughout the cosmos. A sonic massage leaves you feeling energized and at peace. The vibration simply sweeps the issues right out of our tissues in an easy and enjoyable way. The comment we get most often is WOW! Ask someone what it is like....and they will tell you that it is amazing and there are no words to describe it....you just have to experience it to understand. So if this sounds fun to you....come experience the vibration of the gongs.

*Sonic Massage with Gongs - \$55 for 45 minutes*

**Barbara Huttinga** Toe reading is not a future or past reading, but thought patterns that tell you where your emotions are blocked or which way they are flowing. It's a tool that tells us where we're at in the moment or you might say it's an observation of your thought forms. It reveals mentally, physically and emotionally life experiences and character traits. It helps you find areas that you need to step out from so you can break away from things that keep you stuck. Learning to understand yourself is the key to happiness.

*Toe Readings - \$50 for 30 min.*

She has created and facilitated women's circles, workshops, life passage and earth healing ceremonies. She co-authored the recently-published *Journey into the Medicine Wheel*. A medicine wheel consultation will provide information about where you stand now on the medicine wheel, totems in the mineral plant and animal kingdoms affecting you, and colors and stones which may be healing for you. Using the Medicine Wheel Deck you will gain understanding of the four elements and how they interact within you. Learning your strengths and weaknesses will help you to live a more whole and balanced life in greater harmony with all your relations in the mineral, plant, animal, human and spirit kingdoms.

*Medicine Wheel Consultations - \$50 for 30 minutes*
